

TRUE CANVAS

BE PART OF THE FAMILY

WHO WE ARE

"What starts here
isn't just a moment;
it's a relationship -

measured in seasons,
not noise."

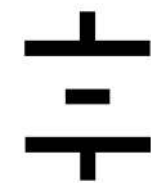

True Canvas is a space of
communication where:

The work matters.
The way the work is done matters.
The person doing it matters.

Inside that culture recognition
feels genuine, not performative.

From that comes connection.
From connection comes trust.
And trust has a way of bringing
people back into the room.

This is who we are.

True Canvas began in Vienna in **2018**, founded by Max Thommesen.

We are a studio that **stands with artists** –
not a stage, but a room where the work, and the way it's done, is taken seriously.

We recognize the hand, the voice, the pace.
Artists meet artists. Conversation stays honest. Standards hold.

Care is our first language.
Craft, our daily practice.
Trust, the thread that ties it all together.

FREQUENTLY ASKED QUESTIONS

DO YOU OFFER DAY FLAT RATES?

No. We work with a full-week flat rate so we can welcome you properly, support your bookings, and give you 24/7 access for seven days. Our setup is designed for week-long stays, not single days.

DOES THAT MEAN I HAVE TO WORK SEVEN DAYS FOR THE FLAT RATE?

No. You decide how many days you want to work. The flat rate is the maximum cap (if you haven't chosen booking assistance), even if you work only four days or less.

WHAT HAPPENS WHEN I DECIDE LATER THAT I NEED ASSISTANCE?

Then it's the 30% commission for your stay with us.

DO YOU HELP WITH PROMOTION?

Yes, we share a post and stories before your arrival to help you connect with clients.

WHAT SHOULD MY CLIENTS KNOW BEFORE COMING?

Please note that there's no accompaniment allowed and no card machine available.

FREQUENTLY ASKED QUESTIONS

HOW DO YOU SUPPORT WITH BOOKING ASSISTANCE?

We receive many client requests as a studio, which we forward to our guest artists.

Some styles are very specific, so we can't always guarantee perfect matches, but we'll always do our best to support you when suitable projects are available.

DO YOU BOOK APPOINTMENTS FOR ME?

No. You'll receive emails with the inquiries that best fit your style. These come from clients who contacted us directly.

Each email includes full project details and the client's contact information. From there, you handle communication and scheduling yourself. We'll provide a simple protocol to help you manage these inquiries smoothly and maintain a flawless workflow with the customer.

YOU HAVE YOUR OWN VIDEOGRAPHER?

Yes. Our in-house videographer will be available to capture footage of your projects and, when possible, produce a reel.

Working hours are Monday to Friday, 11:00–17:00.
